

The voice of St John's School

Last Sunday was Divine Mercy Sunday. This feast reminds us of our need to always trust in Jesus. Jesus said to St Faustina: "Humanity will never find peace until it turns with trust to Divine Mercy."

Divine Mercy is the Easter gift that the Church receives from the Risen Christ and offers to humanity. In this knowledge society it is very easy to want proof before we believe, let us not be like Thomas who doubted, but let us always put our trust in Christ, seeing his presence in the beauty of nature and in the deeds of each other.

Kia ora whānau.

This is our final newsletter for Term 1. It is hard to believe that the term is already over. Although we had interruptions with lockdowns, we still managed to have lots of fun and lots of wonderful learning experiences. Camp for our Year 6 children, EOTC week, St Joseph's Feast Day which was celebrated with a whole school Mass, swimming sports with whanau present to cheer their children on, our beautiful Easter Liturgy and the PTFA Movie night in the hall last Friday, to name just a few of our special events. We are truly blessed to be living in Aotearoa.

Thank you to all those who completed the RE Survey, your feedback is much appreciated.

I also wish to thank my staff for the wonderful work they have done in Term 1 and I know they are well and truly ready for a break, as are our children. I wish you all a very happy Term 1 break and look forward to welcoming you all back to school in Term 2 on Monday, 3<sup>rd</sup> May.

# The passing of HRH Prince Philip, Duke of Edinburgh

I was very impressed when I received an email on Sunday evening from my flag bearer, Harrison Bage, who informed me that he would be flying our school flag at half-mast following the passing of Prince Philip. I love to see our children take initiative like this. We keep the Royal Family in our prayers at this sad time.

#### **Movie Night**

Many thanks to our PTFA for organising the St John's Movie Night in our school hall last Friday. Special thanks to Brendon and Kath Murphy who provided the movie, the projector, and sound systems. Miss Binns and I stayed for the Troll movie with the juniors, and we loved it! The children were incredibly well behaved as they snuggled up on their blankies with their buddies and enjoyed the movies and the popcorn!

# ANZAC DAY – Sunday, 25th April

On Anzac Day we remember those who gave their lives for our freedom. We remember all who died, both friend and foe, and those who lived to return home, bearing the scars of war in their bodies, in their emotions and in their lives.

God of all things, all times, all people, we are grateful for the sacrifices made by the ANZACs. God of earth and heaven, on your world the sun rises and sets on every nation; we commend to you our innocent sisters and brothers who suffer through warfare and violence. Be with them now; be their strength and their hope. Amen

April 25th is ANZAC Day, a national day of remembrance in Australia and New Zealand that commemorates all Australians and New Zealanders who served and died in all wars, conflicts, and peacekeeping operations and remembers the contribution and suffering of all those who have served.

On ANZAC day, above all days, we remember those men and women who died or suffered in the great tragedy of war, particularly those soldiers of the Australian and New Zealand Army Corp – the ANZACS, who landed under fire and fought on the Gallipoli Peninsula in Turkey early on the morning of 25 April, 1915 during the First World War. They were outnumbered from the start and fought bravely for what they believed in. It was then and in the violent months of fighting which followed, that the ANZAC tradition was made and the ANZACs became known as people of bravery. The elements of that tradition have inspired and offered an enduring example to later generations of New Zealanders and Australians.

On ANZAC day, above all days, we remember their bravery and sacrifice. Each year we pay homage not only to those original ANZACs, but to all who died or were disabled in their service to this country. They enrich our nation's history. Their hope was for the freedom of mankind - the freedom to make choices and to follow what we believe. We remember with pride their courage, their compassion and their comradeship. They served on land and sea and in the air, in many places throughout the world.

On ANZAC day, above all days, we also remember with gratitude all the men and women who have fought and died in all wars. May their sacrifice never be forgotten, and may we continue to cherish the freedom that they fought for.

Not only do we honour the memory of those who have fallen in battle; we also share the sorrow of their friends and families who have mourned them and of all who have been the victims of wars and fighting.

# FROM THE SCHOOL BOARD

Ko te ahurei o te tamaiti arahia o tatou mahi

Let the uniqueness of the child guide us in our work.

Helping children and young people we are responsible for to succeed to the best of their ability requires a highly effective school board and principal working together in partnership.

An effective school is one where all young people can and do succeed, regardless of their background and in spite of the social, financial, personal and physical challenges they may face. School boards play a critical role, in partnership with their principal, in ensuring that each student, along with their teachers and whānau, know what success means for them and how their time at school enables them to achieve it.

The key focus of any school board is improving students' educational progress. That is not to say that boards should delve into the management of the school – in fact, quite the reverse. An effective school board does not try to do the work their principal and staff are there to do. Instead, they are active in setting the overall direction of the school through policy setting, strategic planning and monitoring the school's progress towards its overall objective.

#### LIBRARY NEWS

During the past few weeks, we have been introducing 'Libby' to the children. Libby is an app that you can download from Google Play or the Apple Store to your devices or alternatively access through your computer at <a href="https://libbyapp.com/">https://libbyapp.com/</a>

The children have had the pleasure of reading the picture book 'The Good Egg' using the Libby app and the big screens in the library and classrooms.

Auckland libraries offer millions of eBooks, audiobooks, and magazines. You can borrow them — for **free**, instantly — with a library card and Libby: an award-winning app for libraries.

Perfect if you have trouble returning books on time as it automatically returns them for you.

With the holidays approaching Libby is an easy way to take books with you on holiday or to enjoy at home. Choose an audiobook to listen to together for a car journey or home activity.

Happy reading!

#### Overdue notices

Please watch out for overdue notices coming home on Friday. There are several children with books to be returned from **February**, please have a good look for them during the holidays and remember a quick email to <u>Library@sjmb.school.nz</u> with your child's full name and the title of the book to let the librarian know that you have had a good look and cannot find it.

PTFA Fun Run

Event Date: Tuesday 18 May 2021

Like all New Zealand Schools, **St John's** relies on fundraising revenue to further extend learning opportunities and our overall school environment for all of our students.

This year the PTFA are running a sponsored Fun Run which will be held in conjunction with the school's annual cross-country run. With the funds raised from this event we are hoping to improve outdoor areas of our school and continue with the hall refurbishment.

Fundraising gives our students a sense of empowerment from being able to work as a large team and contribute towards a common goal.

#### How will this fundraiser work?

This year we have partnered with New Zealand based, online fundraising company, Raise It. Raise It specialise in working with New Zealand schools to maximise their fundraising efforts. Collecting sponsorship online makes it super easy for everyone - no more door knocking, your child can collect more donations from further afield (friends and family living overseas, work colleagues etc) and no need to worry about handling all that cash and bringing it into school! For their service, Raise It charge 10% of funds raised, much less than some other organisations offering a similar service. The PTFA felt this was money well spent to help us run a successful fundraiser and has saved many hours of work for our small group of volunteers.

#### How do I sign my child up to fundraise online?

Each child can sign up for their very own web page to send out to collect online sponsorship.

Just go to our School Fundraising Hub page at: <a href="https://simb.raiseit.co.nz/hub">https://simb.raiseit.co.nz/hub</a>

- You will find the **REGISTER** link to set up their account on this page
- You will need to choose your child's house as their fundraising team
- If you need any help please email help@raiseit.co.nz for assistance
- All student totals update in real time and your donors can leave you messages of encouragement
- The online Fundraising Hub website can be viewed to see the top houses at any time

#### What do we do with cash donations?

If you do not wish to create an online fundraising page for your child, please see the FAQ page for information on cash donation forms (you can find a link to the FAQ on the fundraising hub). We can collect offline donations and they can be included in house totals where applicable. A copy of the cash donation form is below or you can collect a hard copy from the school office.

# **Our Event**

St John's School Raise It Fun Run will be held on Tuesday 18<sup>th</sup> May. As well as helping to raise valuable funds for our school this fundraiser promotes healthy active lifestyles. We want all children to be able to participate and be the best that they can be. There will be spot prizes for sign ups and donation milestones, as well as a special prize for the house that raises the most money.

Children will be training at school for this event and we encourage students also to train at home, especially over the school holidays. Each year level has a goal for the number of loops of the school they are aiming for:

- Years 1 and 2 will run 2 Loops (800m)
- Years 3 and 4 will run 4 Loops (1600m)
- Years 5 and 6 will run 5 Loops (2000m)

Parents are encouraged to come and support runners on the day and there will be an icy treat for all participants. More information on the timings for the day will be available next term.

For any questions regarding this fundraiser please contact Rebekah Saxon - bexriegman@yahoo.co.nz

With many thanks for your support - St Johns School PTFA and Staff
