**Kia ora e te whanau! 안녕하세요 |Hola! مرحبا Dia dhuit 你好 Mabuhay**

This Term is going to be a very exciting term with a fun event planned for the middle of June that the children will love!!!!

Some of the ways that the PTFA will continue to support our tamariki within the school this year are:

- an annual contribution to the Principal's Discretionary Fund (a fund which assists those within our school community who need it most)
- subsidising additional school educational programmes across the various year levels
- a contribution towards the cost of the school camp
- the second hand uniform shop
- a "special" event for the Year 6's
- contribution towards classroom resources
- a new freezer for the storage of perishables for PTFA-led events

We remain committed to our goal of the **Covered Outdoor Learning Area (COLA)** and we are currently on target to see this completed by the end of 2026!

Thanks to those of you who have put your names forward for our PTFA volunteer database. This group of wonderful parents will be our first port of call as they have already indicated a willingness to provide hands-on support. We will only reach out to the wider community if we do not have sufficient available volunteers from this database. If you want to be added please do let us know.
