

Dear Parent/Guardian,

St Johns Primary School Adventure Run – Online Fundraiser

Time for a little adventure—it's the St Johns Primary School Adventure Run!

Our children are seeking online sponsorship to take part in this active day of fun, while also supporting our school.

We are fundraising towards a Covered Outdoor Learning Area (COLA) and we are over half-way. Our school board will match our fundraising efforts. We are only \$80,000 away from achieving our target of \$200,000!! This will be an amazing addition to our school, meaning students can:

- Spend time outdoors during playtime while being protected from the sun's harmful rays
- More PE and outdoor lessons possible in the shade and while it rains
- Community use for a host of valuable events

After an amazing year of fundraising - reaching just over \$120,000 last year - we are on our way but need our community to help us across the finish line. Please reach out to your friends, family, work colleagues here and abroad, to help us achieve our ultimate goal!

How will this fundraiser work? We have partnered with online fundraising company Go Raise It. Collecting sponsorship online makes it super easy for everyone. Your child can even collect donations from friends & family living overseas from the comfort of your living room!

How do I sign my child up to fundraise online? Each child can sign up for their very own fundraising web page to send out to collect online sponsorship from anyone, anywhere!

Just go to our Fundraising Hub page at: <https://stjohnsptfaadventurerun.raiseit.co.nz/>

Or use the QR Code to visit the hub page:

Click on the **SETUP A FUNDRAISING PAGE** button

If you need any help email help@raiseitfundraising.com for direct assistance
Multiple children in your family? No problem, all children can sit under the same email address. You'll find a button to set up another page while logged in to the fundraising account you created first.

Do I have to sign up for an online account to fundraise? We would love everyone to have an online account as this allows the school to significantly reduce administration overheads. Go Raise It adheres to strict cyber safe guidelines and this is built into our fundraising website.

Prizes:

We have over \$3,000 worth of prizes thanks to generous local donations, including spot prizes awarded in the weeks leading up to the event, as well as prizes for top individual and class fundraisers. The top 8 junior and top 8 senior fundraisers will also win prizes! Visit the Prizes page on our Fundraising Hub to see all the amazing rewards
