

**24th June
2025**

Kia ora whānau,

This morning, we celebrated the Feast of St John the Baptist with the parish at a lovely Mass. I was impressed, as usual, by the children's participation and leadership and their liturgical practice. Thank you to all those who were able to come and celebrate with us.

During the Mass, as a school, we farewelled Father Danko as he moves on to his next ministry at St Mary's, Avondale. Although he has only been with us for 10 months, from the very beginning, he embraced our school and parish with humility, and a spirit of service. We've really appreciated how much he has given to us in such a short time and are thankful that he has shared part of his journey with us.

WINTER WARM UP - SOCIAL OUTREACH

Friday 27th June, our Matariki Celebration Day, will also be an opportunity for social outreach. Students are encouraged to wear their pyjamas to school in exchange for a donation of a gold coin or new / used winter warm up items to donate to those in need. Funds raised and items collected will be distributed through the charitable organisation, Give a Kid a Blanket.

They welcome donations of excellent quality pre-loved (not stained/damaged and freshly washed please) or new items; blankets, duvet inners and covers, sleeping bags, infant sleep sacks, NEW pillows, NEW hot water bottles, warm infant, child, teen and adult clothing, pyjamas, robes, socks, beanies, jumpers, track pants, hoodies.

They also love receiving donations of hand-crafted items such as crocheted blankets, and knitted infant and children's jumpers and cardigans, and beanies in all sizes.

Items for donation can be brought in anytime until Friday, 27th June.

There are collection boxes in the school office. If you wish to make a cash donation, this can be completed using the donation option in [Kindo](#).

STAFF UPDATE

We are very excited to say Bon Voyage to Mrs Howard this week. Bon Voyage, a French term, is not goodbye, but a way of wishing someone a good journey.

Mrs Anne Howard has been granted leave for Term 3. She will be travelling with her husband and daughter to Vancouver, Canada for a month, where she will be visiting her son, who is doing his PhD at the University of British Columbia.

Following this, she and her husband will be spending two months catching up with family and friends in England and embarking on a tour of Ireland. We look forward to welcoming her back in Term 4 and to hearing wonderful stories from her time overseas.

FIRST HOLY COMMUNION

Congratulations to all the St John's School Communicants, who received the Sacrament of Eucharist on Sunday 15th June at St Francis Church.

This special milestone marks a profound step in your spiritual journey, and we are incredibly proud of each one of you for your dedication and faith.

ADVENTURE RUN

I want to sincerely thank everyone who helped make our Adventure Run such a fantastic success. To our students and families – your energy, enthusiasm, and wholehearted participation brought the event to life. The joy and laughter we saw was contagious, and not even the odd shower could dampen the fun!

**The final count is an AMAZING amount of \$24,477.
Congratulations, and thank you all!**

A huge thank you to our incredible staff and parent helpers – your support behind the scenes and on the day made everything run so smoothly. We're also especially grateful to all our generous sponsors and our amazing PTFA for your ongoing support and contributions.

Thank you to the following sponsors of the inflatable obstacle and other equipment on the day.

Together, we've created some wonderful memories and shown just how strong our school community really is.

INTERSCHOOL SPEECH COMPETITION

Last Wednesday Irene and Serena, winners of the St John's Senior School Competition went to the North Shore Catholic Primary Schools competition. I was impressed by the calibre of their speeches; both in content and delivery. A special congratulations to Irene who placed 3rd overall.

HAPPY HOLIDAYS

As we wrap up another wonderful term filled with learning and growth, I wanted to take a moment to wish each and every one of you a joyous and relaxing winter holiday! May this time be filled with laughter, warmth, and cherished moments with your loved ones. Thank you all for your hard work and dedication throughout the term. Let's recharge and return ready for an exciting new term ahead!

If you are travelling, haere pai atu, hoki pai mai. Wishing you safe travels and a safe return and look forward to hearing about your many adventures next term.

Happy Holidays and God bless,
Marina Binns

RELIGIOUS EDUCATION - FEAST DAY OF JOHN THE BAPTIST

We are truly blessed to have Saint John the Baptist as our patron. His life and example continue to inspire our school community, encouraging us to live with faith, humility, and a heart for service.

John the Baptist, the one chosen to prepare the way for Jesus, holds a special place in our Christian story. Born to Zechariah and Elizabeth through God's promise, his life had a purpose from the very beginning: to call people to turn back to God and to get ready for the coming of the Messiah.

John lived simply and faithfully – wearing clothes made of camel's hair and eating locusts and wild honey. His life in the wilderness showed his deep commitment to God, reminding us of the power of simplicity, sacrifice, and trust in God's plan.

He preached boldly and baptised many people in the Jordan River as a sign of their desire to change and grow closer to God. His baptism of Jesus was a powerful moment that affirmed Jesus' mission and launched His public ministry.

What makes John such a powerful role model for our school is his courage and integrity. He stood up for what was right, even when it was difficult. He spoke the truth without fear, and his strong faith cost him his life. His example reminds us to live with honesty, to stand firm in our beliefs, and to always do what is right.

As a school community – students, staff, and whānau – we look to John the Baptist as a guide. He encourages us to open our hearts to Jesus, to always seek renewal, and to serve others with love. In our learning, in our relationships, and in how we live each day, we try to follow his example of humility, strength, and faith.

Let us honour our patron saint by continuing to build a school where faith is alive, love is shared, and truth is spoken with courage. Like John the Baptist, may we be brave messengers of hope, preparing the way for Christ in all we do.

Ngā mihi,
Cara Mountjoy - *Director of Religious Studies*

MATARIKI CELEBRATION

We are looking forward to you joining us at our Matariki Morning celebration at St. John's School if you are able! Below are a few more details about the event.

This is an event for you to enjoy **with** your tamariki (all students must be supervised by an adult during this time).

Date: Friday, 27th June.

Time: 7.00 - 8.30am
(If you are a KEEN stargazer, you are welcome to come in at 6:00am to try and catch a glimpse through a telescope before sunrise).

Location: Top court/ Hall/ Library/ Garden/ Church.

Matariki, the Māori New Year, is a time of reflection, celebration, and connection with our whānau and community. Join us as we honour this special occasion with a morning filled with activities, performances, and shared kai.

To help us with catering, please RSVP using this [link](#) for approximate numbers.

We will be starting with karakia-prayer on the top court at 7:00am. Following this there will be activities that you can wander between and enjoy at your own pace.

PROGRAMME HIGHLIGHTS

- Star gazing
- Activities: Planting, string games, sending our intentions, and waiata
- Remembrance: Candle lighting in St John's Church for loved ones who have died
- Kai: A shared soup breakfast to enjoy together (please bring a travel mug if you have one)
- Hot Drinks: Tea and coffee will be available in the hall

At 8:15am we will gather in the hall for waiata-singing. This will start with sharing from our Kapa Haka group.

If you cannot commit to the whole time, please do not worry. We would love to see you, even if it is only for a short while. We look forward to celebrating Matariki with you and your tamariki.

Your presence will make this occasion even more special.

IN LOVING MEMORY

Families who would like to remember a special person who has died can make a Google slide for our memorial slide show in the Church during our Matariki Morning. This can include the person's name, image and details of their life. You are welcome to create a slide for more than one person. Please note, this is **one slide per person**, not a slide show!

Alternatively, students are invited to bring in a copy of a photo, or email the image and information, to their classroom teacher.

Click on the [link](#) to see an example.

GARDEN TO TABLE

The winter garden is flourishing this term with plenty of rain but also warm sunny days.

The children have been planting our winter crops including spinach, kale, broccoli, beetroot, cauliflower, lettuce and cabbage.

The kitchen group have been cooking winter greens fritters, pasta, flatbreads, pesto, soup for matariki and of course baking for our annual bake sale.

In the garden we have been feeding, mulching, composting and making white butterfly decoys to keep the pests away.

Ange Moore (Garden Specialist).

STORYLINES AUTHOR VISIT

On Tuesday, Helen from Storylines and Ruth Paul, an author and Illustrator visited our school to meet with the year 3s and 4s in the hall.

To start the visit four children, one from each Year 3 and 4 class, had a special morning tea with Ruth and Helen before we went into the hall.

The first thing that happened in the hall was Ruth chose some children to act out one of her books *The Animals Undies Ball*. Actor Benjamin who played the Puma said it was "Quite Funny!" While another actor Max, who played the Elephant said "I could barely talk because the elephant's trunk was over my mouth". Benjamin was funny with the big undies high up on his waist" laughed Harley from the audience. Other members of the audience thought the play was "Excellent!", "Good" and "Funny!"

Next we learned about Ruth living on a farm in Wellington and Anahera, the real kiwi. We learned lots of things about kiwis like their claws shred and are super sharp. Also, you need to hold a kiwi like a baby and not around his belly! Kiwi have just been released in Wellington after 150 years.

Ruth told us about her new book *Anahera* and some of her other books she has made. We learned that there are lots of ideas around us and Ruth said to think of some interesting and big words. The words that came out were *Elegant*, *Kiwi* and *Emoji*. Then we created a story with our words.

We enjoyed lots of things from Ruth's visit like the acting parts, making our own story, watching her draw a kiwi from our story, even being laughed at while acting the story out. Some of us enjoyed EVERYTHING!

FROM THE SCHOOL BOARD

STRATEGIC PLAN

Two years ago, our school community reviewed and redeveloped our School Strategic Plan.

Strategic plans are developed by School Boards to guide the school over a three-year period, setting a consistent direction and focus. The current Strategic Plan is being reviewed after only two years to bring it in line with the triennial School Board elections being held in September 2025.

The Board wants to take this opportunity to “check in” on how well the current Plan is holding up and whether any adjustments are required.

As part of this check-in, we are also taking a moment to reflect on our Vision and Values, which were thoughtfully revised during the last strategic planning process. While these usually remain stable over time, we want to ensure they still resonate with our school community and reflect who we are and what we believe.

Your feedback is valuable and will help us stay aligned, purposeful, and responsive.
